2020-2021

Dear Parent/Guardian,

Welcome to the Child and Adult Care Food Program (CACFP)! Your Child Care Center has partnered with Children's Hunger Alliance to ensure your child receives healthy food, nutrition education and physical activity while in their care.

The Child and Adult Care Food Program increases access to nutritious meals and snacks in child care settings through USDA funds. Participating in the CACFP with Children's Hunger Alliance speaks to your Child Care Center's commitment to providing high-quality child care to their families.

In order for your Child Care Center to receive the full benefit of the program, it is important that the following forms are promptly returned to the center:

1. Income Eligibility Form
2. Child Enrollment Form for each child in care
3. Infant Meals Parent Preference Letter (**if you have an infant in care**)

Instructions on how to complete each form are included in the packet. If you have any questions, please contact the center staff for guidance.

The Building for the Future flyer and WIC information is for you to review and keep on file at home.

Sincerely,

Stella Marshall
Director, Child Care Centers
